

## Dr. Pierre-Edourd Sottas

Chief Scientific Officer & Director Europe  
CoreMedica Laboratories  
Switzerland

After having developed the Athlete Biological Passport at the Laboratoire Suisse du Dopage during the 2000s, Pierre-Edouard managed this program during 9 years at the World Anti-Doping Agency. In 2018, he joined CoreMedica in order to make the sport and nutrition biopassports available to everyone.
